

The Holy & Sacred Iconography of St. George Greek Orthodox Church OCEAN, NJ

*"Give unto the Lord the glory due to His name;
worship the Lord in the beauty of holiness"*
(Psalm 29:2)

On April 1, 2012, our community held the Thyranixia (*Opening of the Doors*) for our new church of St. George. The move from Asbury Park was a historic event in the life of our community as we moved to a larger, more accessible location with room for growth and outreach. A church, however, also needs to be consecrated which only happens when the iconography is complete. Thus, under the guidance of His Eminence Metropolitan Evangelos of NJ, Father Andrew Eugenis, our Parish Council and our Iconography Committee, we continue on our path to glorify God and our Greek Orthodox faith by completing the ICONOGRAPHY of our beloved St. George Church.

After a detailed selection process, Georgios Giariskanis and Vlachos Brothers, have been selected as the iconographers for our two phase project. On October 16, 2016, the General Assembly approved a \$1.3 million budget for a phased iconography project. Noted below in red are the icons that are available for sponsorship. If you are able to sponsor an icon or contribute any amount to the community icon or iconography project, please contact Father Andrew, Anne Papageorge, Iconography Committee Chair, or John Michals, Iconography Fundraising Sub-committee Chair to discuss your thoughts. We urge you to remember the gifts you have received and give back to our beloved Church of St. George.
