

St. George Greek Orthodox Church, Ocean, NJ
Holy & Sacred Iconography Project

GOLD LEAF PROGRAM

Icons, which have always been an integral part of the Greek Orthodox tradition, are painted biblical representations of events and/or saints of the faith. In the past, they were used as a way to spread Christ's love and message to those who were unable to read. Now icons keep our church saints and stories at the forefront of our mind, remembering them always in our liturgical services. Every Greek Orthodox Church must have icons adorning the walls of their interior in order to be fully consecrated.

Our St. George Greek Orthodox Church community, which moved from Asbury Park into our new home in Ocean Township, NJ, has now embarked on our iconography project. A focal point of every Greek Orthodox church is the icon of the Pantocrator on the dome of the church. As with all our icons, this icon of Jesus, surrounded by angels, is typically enhanced by genuine 24karat gold leaf.

We have established the **Gold Leaf Program** to give everyone the opportunity to participate in our iconography project and be remembered for future generations. Please consider purchasing sheets of gold leaf to honor the memory of a departed loved one or simply to be a part of our iconography project.

At the completion of the project, a special memorial service will be held in our church to honor your loved ones and every donation will be remembered at a later date. We thank you in advance for your gift.
